Training Strategies

Implementation Strategy

- **Provide Train-the-trainer instruction**
 - **69 trainers qualified**
 - **Complete for Mid Atlantic, Southwest and South East**
- **Provide regional training support**
- **Provide over the shoulder support**

Temporary Sustainment

- **Provide training material**
- **Issue Train-the-trainer qualifications**

Sustained Services

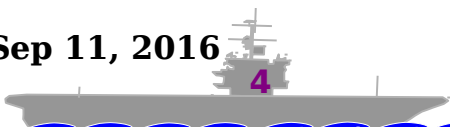

- **Provide training material**
- **Provide training updates**

Current Short Term Initiatives

Short Term Initiatives

- **Obtain approval of the NAVY Training System Plan (NTSP)**
- **Initiate working groups**
 - **Afloat training methodology**
 - **Curriculum for COMNAVEDTRA courses**
- **Obtain course identification numbers**
- **Identify COMNAVEDTRA Learning Center for NEMAIS partnering**
 - **Customer Support Learning Center, Athens, GA (parent)**
- **Develop computer base training courses**

Current Long Term Initiatives

Long Term Initiatives

- **Modifying courses for web usage**
- **Revise/Update COMNAVEDTRA courses to reflect Global process information**
- **Use web to train end-users for sustainment**
- **COMNAVEDTRA assumes responsibility of all end-users training**
